

Vocational Training Programme for the Freight Logistics Sector

貨運物流業職業訓練課程

Radon Asia Limited
智翔亞洲有限公司

- 1. M1 + M2 is recognized by IATA as certificate for IATA agent accreditation & renewal.**
M1+M2 證書已獲 IATA 認可作其貨運代理申請或續會所需的證書。
- 2. Subsidy HKD 775^{Note 1}**
可獲港幣 \$775 學費資助 (見 ^{Note 1})
- 3. Higher priority to any job seeker by HAFFA Committee Member Companies^{Note 2}**
持有 M1 或 M2 證書的應徵者將獲 HAFFA 執行委員公司優先取錄 (見 ^{Note 2})

Our staff acquired practical knowledge and hands-on skills after taking the courses. It is impressive to see the immediate contributions they have made to my company.

In addition, the partial subsidy offered by VTC greatly reduces our on-the-job training expenses. This course is undoubtedly value for money.

I have no hesitation to recommend the VTP to anyone in our industry !

By Mr. Cliff Sullivan
(Senior VP of A-Sonic Logistics (HK) Ltd.)
