The development of the workshop is funded by the following:

The workshop materials are developed under the direction of the following:

About the Speakers

Mr Tim Wong

Upon graduating from The University of Hong Kong, Mr Wong joined the logistics industry in the year of 1986. He has 30 years of logistics experience covering air and ocean businesses. He has worked in Hong Kong, Singapore and Indonesia, and has more than 100 times duty travel to different parts of the world. Asia is his area of expertise but due to the frequent travels, he is also familiar with the business in United States and Europe. Recently Tim got his EMBA from The Chinese University of Hong Kong and is now the Deputy Director of an international freight company.

Mr Edwin Tsang

Mr Tsang obtained his master degree of Business in Logistics Management in 2004. He has over 38 years of experience in air cargo operations, mostly in the area of dangerous goods handling. He had worked in Cathay Pacific Airways, Thai Airways and DHL Global Forwarding and is now the Senior Manager of a training institute. Since 2007, he has become a qualified instructor to conduct Dangerous Goods Awareness Course accredited by HKCAD for DHL in-house staff. He was also the Vice Chairman of Airfreight Sub-committee of Hongkong Association of Freight Forwarding and Logistics Ltd (HAFFA) from 2007-2013 and was responsible to liaise with cargo terminal operators, airlines and government bodies.

Certificate

Participant who has successfully completed all six workshops in the series (details of the other three workshops will be announced soon), as well as Modules 1 and 2 of the Vocational Training Programme, is eligible for a VTP Airfreight Diploma jointly issued by the CILTHK, HAFFA and LOGSCOUNCIL.
